

## **U.S. Capitol Statuary Hall**

Classroom Activity “Make Your Choice for Ohio’s Statue”

Social Studies Grades 6-8

Using the Legacy for Ohio Website, assign students one of the ten finalists for the statue. They will have 3 days to do the research at home with a parent or sibling. Have them come back to class with a 3 paragraph report on the assigned finalist. Students will read their reports to the class. Follow up with a class election to choose their favorite. Follow the election with your class and see who is actually chosen.
