

- **Coupon Book of Love**

This is something you and your child can make for each other or together to show affection. All you need is paper, crayons, tape and a big heart. Discuss with your child the idea that they can give others very important things that don't cost money. i.e. smiles, hugs, kisses, a listening ear, 15 minutes of quiet time, a special walk together. Write each of these down on a separate piece of paper to create a book of coupons that can be cashed in when you're in need of affection!
